December THINK IT Newsletter 2010

Out with the old... in with 2011!

The holiday season is upon us – finally! 2010 has been a complex year - so many things have challenged all those operating in the IT industry and now is a time to celebrate, relax and take some time out!

As the completion of EOH's acquisition of THINK IT is upon us we, our colleagues, customers and partners are eagerly anticipating good change in the New Year. We'd like to take this opportunity to thank you for your support and wish you a safe and prosperous end of year break.

2011 is going to be awesome! We don't doubt this for a second! So let us all rest well and enjoy the break and, whether you're sticking with good old home comforts or heading out on some far away journey, we hope you have fun, fly and/or drive safely and are back soon, eager to kick start 2011 with us!

Please also note that THINK IT will not be closing over December and feel assured in knowing your skilled support team mates will be manning their stations, eager to attend to any and all queries that might arise!

We look forward to seeing you in the New Year!

The THINK IT team!
